Neighborhood grant update: Street tree planting

All 100 street tree sites in our neighborhood have been identified, and marked, and are scheduled for planting this fall or winter. In some situations, the city may even choose to wait and plant in the spring. Oaks, for example, have proven to prefer spring planting rather than fall.

Assuming there are no issues, we can expect the majority of the tree planting to be completed before January 1, 2024!

Christmas on Broadway

The 19th Annual “Christmas On Broadway” celebration will take place on Friday, Nov. 17, 2023, beginning at 5:30 p.m.

The tree lighting and brilliant fireworks display is in the heart of the '07 Neighborhood on the Broadway Plaza, which is in front of the Shine & Hardin building. “This year, ‘Christmas On Broadway’ will assist the mission of Erin’s House for Grieving Children to provide support for children, teens, and their families who have experienced a death,” said event coordinators, Steve Shine and Tom Hardin of Shine & Hardin, LLP, who originated the holiday celebration 19 years ago.

The parade route will begin at Broadway and Creighton and end at the Broadway Plaza, where the magnificent 40-foot Colorado spruce will be lit at 6 p.m., to a background of fireworks and Christmas songs. Santa Claus and his helpers will be handing out Santa hats to children in attendance, as well as being joined by one of his reindeer. Children will also be treated to rides on the miniature train located adjacent to the Shine & Hardin building.
